Date: 20/12/2022
Subject: Mr. Omer Jibreil
To Whom It May Concern
Mr. Jibreil has been my student at the Department of Geophysics, Faculty of Minerals and Petroleum, International University of Africa during the period 2016 – 2022. He graduated with a B.Sc. degree (V.Good) in Geophysics.
Mr. Jibreil studied Geophysical and Geological Maps under my Supervision. He also did his B.Sc. research under my supervision in geophysics. Given his interest, competence and good background in Geology, I believe that Mr . Jibreil will benefit a lot from pursuing a program in Geophysics. Moreover, Scientist with training and background in that field are highly needed in development country in both industry and teaching institution.
I strongly recommend his application for postgraduate studies at your Institute. In addition, I recommend him for any job in the field of Geophysics.
Thanks
